Precipitation Evolution Awakens Online: Qisas is a LitRPG novel by Travis Bagwell. This is a side story set in the awakening world online. The book is called Book 2.5. Riley's real life got a Sio nose after confronting Alexei. The girls at the school are suffering her and she feels powerless to do anything about it. Jason, meanwhile, mysteriously disappeared and sent only a cryptic message of fear to Riley and Frank. Riley, with a while on his hands and with his frustration with his real life reaching breaking point, decides to hit in his own game. His goal is to investigate an attempt involving the bizarre bow he discovered in the dungeon north of Peccavi. Yet events quickly spiral out of control as he discovers that the former owner sets his bow along a vengeance route - with the whole city hanging in the balance. The characters in the book follow different characters. If the player thinks that other RPG games have become too easy to overcome, then this game is something players should try. A world covered in darkness is fighting for the place of light, and these have helped create a new world. With the dominance of darkness, people's lives become harder and harder. War occurs around the world, causing many large nations to crumble under the flames of war. The dead are once again revived in the form of monsters thanks to the power of darkness. They come to different lands so they can destroy everything. Players will be tasked with finding pieces of hope so they can return the pitch. See also: Love Story Hack: Romantic Games (Mod, Infinite Tickets/Diamonds)Varied character classes first of all, to participate in the game, players will need a character capable of controlling and fighting monsters. Play to select many players different character classes for players. Each class has a different set of skills and functions that players can use in battles with monsters. Classes that play for players to choose from, such as knights, wizards, warriors and more for players to choose from easily. Starting journeyThe player will have many different missions to perform and get dedicated bonuses. Most of the missions assigned to them include fighting monsters to complete missions. Monsters are too powerful in the game and make it difficult for the player to destroy them. It's hard to kill ordinary monsters, but things get harder if the player confronts the boss. If the player doesn't have a powerful device, it's harder to repair.
